Intermediate Obedience Class Application

The ongoing Intermediate Obedience Class is designed for dogs who have successfully completed a 10 week basic obedience course, and is comprised of blocks of 10 lessons.

The Intermediate course is focused on bringing your dog to levels of training to be successful both in normal social situations as well as showing in Obedience. The dog's response to commands will become more consistent and reliable. Owners can expect to have greater control at farther distances, begin to work towards off leash control of your dog, longer sits/downs with distraction proofing as well as hand signals given from in front. If you haven't been in training for a while but have been through a basic obedience class before this class is a great tune up to get you back on the right path.

It is the owner's responsibility to notify the instructors if their dog has a behavioral concern. Reactive dogs will be evaluated by our trainers to determine if your dog will be a good match for the class. Classes will be limited to no more than one reactive dog per class.

The German Shepherd Club of Mpls & St. Paul has a duty to ensure that all people and handlers are able to train in a safe and comfortable environment. If your dog has a behavioral issue we will work with you and/or direct you to somebody who can better assess your situation.

All Students must sign and agree to abide by the Student Agreement of the German Shepherd dog Club of Minneapolis and St. Paul and the Animal Inn Training Center Rules on the back of this page.
