## Rally Obedience Class Application

The Rally Obedience course is designed for dogs at least 6 months of age. It comprises blocks of 10 weekly lessons focused on teaching the moves, rules, and scoring of Rally Obedience, and providing experience on practice courses. A basic 8-10 week beginner's obedience class or trainer approval is required to participate in the class.

Each lesson consists of 2 one on one runs through the course with the trainer. The first 5 minutes of each session is reserved for walk-throughs and Q & A, and course maps will be posted for those who arrive after the walk-through is over. Nested courses for novice and advanced levels make it feasible to run students at any level through the same ring set-up.

The non-refundable fee for a block of 10 Rally Obedience lessons is \$90 for GSDCMSP club members; \$110 for non-members and is due on or before the first class night. **Class size will be limited to 8 dogs.** Single (Drop-in) lessons may be purchased on a first-come/first served basis if the roster is not full, or if block students are absent and slots are unfilled.

**All Students must sign and agree to abide by the Student Agreement of the German Shepherd dog Club of Minneapolis and St. Paul and the Animal Inn Training Center Rules on the back of this page.**
