**Join an AKC® Club Near You!**

Congratulations on your dog training success! Now that you and your dog have experienced the joys of training, an AKC club near you can introduce you to exciting and fun dog activities and help you with future training.

## **Top 10 Benefits of Joining An AKC® Club**

- 1.** Learn new training skills — for you and your dog!
- 2.** Learn from experienced, qualified instructors who have successfully trained hundreds of dogs and dog owners. If your dog has a behavior problem, you can find help at an AKC club.
- 3.** Even if you already have a trainer, at AKC club meetings, you can meet other “dog people” who share your interests. Everyone is welcome!
- 4.** Train with expert trainers. Get puppy raising advice that only an experienced dog person can give. Or meet and learn from nationally ranked dogs and their owners.
- 5.** Get started in fun activities such as agility, obedience, rally, tracking, or therapy dog work.
- 6.** Meet new training friends — this includes people and dogs!
- 7.** If you have a purebred dog, meet other people with your breed and breed experts. If you have an All American dog, meet others who have a dog like yours.
- 8.** Whether you attend classes or not, everyone can participate in a club’s meetings and community activities. Participate in a community parade, help educate the public, or get involved with AKC Rescue Network.
- 9.** AKC offers a great new place to train and socialize your dog. Train beyond your own back yard!
- 10.** Get the guidance and training you need for your dog to earn titles. From competitive titles to titles you can earn in your own community in Canine Good Citizen®, AKC Community Canine<sup>SM</sup>, and AKC Therapy Dog<sup>SM</sup> events, earning titles will ensure the dog you love will be listed in the American Kennel Club records forever.
