Roger Kofstad

July 17th, 1931 to January 7th, 2016

This specialty show weekend is dedicated to Roger Kofstad,

Roger was born on July 17, 1931, raised in Albert Lea, MN and graduated from high school there in 1949. He served in the Army for 2 years; then purchased the farm near Hartland, MN, where he lived for the rest of his life.

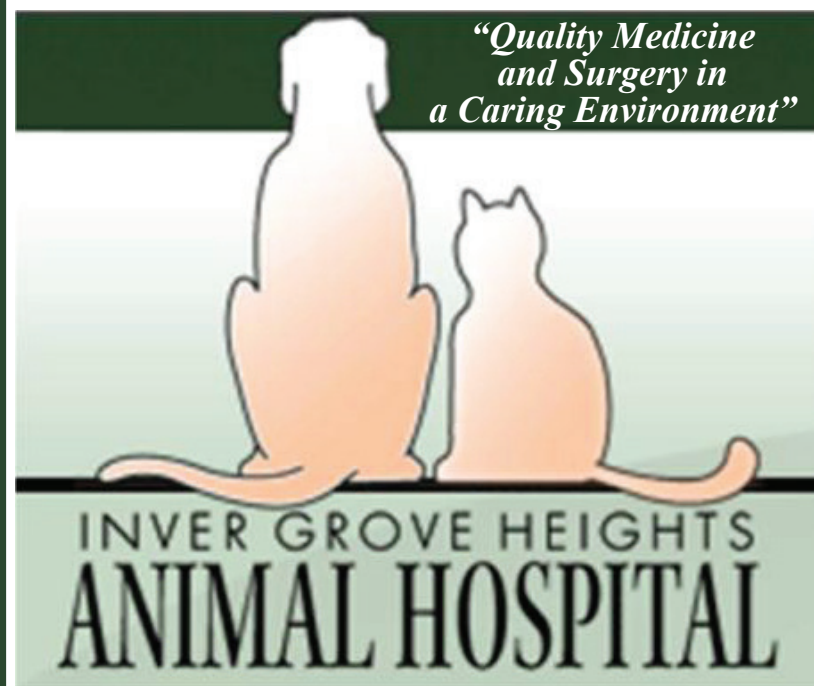

Roger purchased a German Shepherd puppy sometime in the mid 1970's, and took him to an obedience class in Albert Lea. That puppy, Lobo, was the beginning of what became a very active period of involvement in the German Shepherd breed. Lobo died, from bloat I believe, and Roger purchased his next puppy from Wynthea Kennels in Delaware. He trained and showed her in obedience, and earned at least a C.D. But now he became interested in conformation showing and purchased at least 3 dogs from Covy-Tucker Hill, and a puppy from Paul and Joan Johnson.

Roger and I became acquainted through the GSDC of Mpls. And St. Paul in the late 1970's and were married on Jan. 3, 1981. The other momentous event for Roger in 1981 was being elected President of the GSDC of Minneapolis & St. Paul. He had previously been on the Board of Directors and served as Match Chairman. We were fairly active in showing during the 80's and 90's, and bred about a dozen litters in that time.

Our best known dog was Ch. Falkora's Joe Pye v. Kubistraum, who was perhaps Roger's 2nd favorite dog... next to Covy-Tucker Hill's Santa Maria- "Happy" -who I'm sure some of the longtime club members will remember. Happy was the dam of Armin, whom I think might have been the first champion that the very young Monika Schray showed and finished! Roger was very proud of both of them, Monika and Armin!

Roger suffered a severe stroke in the summer of 2000, and that plus several other health problems pretty much ended his ability to actively participate in the hobby that had become such an important part of his life for over 25 years. He died on Jan. 7, 2016, just a few days after our 35th wedding anniversary.

Stillwater Veterinary Clinic

**Providing the highest quality veterinary service for the
St Croix Valley & surrounding area for over 35 years**

One of the top veterinary clinics in the Twin Cities, Stillwater Veterinary Clinic has served as many of our club members' clinic of choice for more than 25 years. The clinic provides professional and compassionate service to not only GSDs, (and their special needs) but all breeds of dogs and cats.

The Clinic is one of two certified semen freezing facilities in Minnesota. Dr. Don Rice, who has served at the clinic for 30 years, holds a special interest in canine reproduction and endoscopy. (Retired, but is available for consultations)

Other doctors at the clinic include; Dr. Matt Winter, whose main areas of interest are surgery and internal medicine; Dr. Jennifer Urban, whose areas of interest are ultrasound, and natural/whole foods and supplements; Dr. Elizabeth Thorson, internal medicine; Dr. Anna Rauk Mitchell, areas of interest include surgery and internal medicine; Dr. Raeana Rice, is following in her father's footsteps with a special interest in canine reproduction and surgery. We welcome Dr. Kari Strohmeier and Dr. Ashley Balzano who just joined us in May 2016.

The German Shepherd Dog Club of Minneapolis/Saint Paul thanks Stillwater Clinic for their continued support of our dogs and our club!

AMERICAN KENNEL CLUB...POINTS

SCHEDULE OF POINTS FOR DIVISION 6 - EFFECTIVE MAY 11, 2016

Division 15 is comprised of: Illinois, Michigan, Minnesota, Wisconsin

For complete Conformation Championship requirements see Chapter 16 of the *Rules Applying to Dog Shows*.

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

AMERICAN KENNEL CLUB...AGENT

An agent is a person 18 years or older, other than an owner or co-owner, designated by the owner or the co-owner of an exhibit to be handler of, and responsible for, the dog at the show. Agents' names may be followed by the initials which represent their AKC-recognized professional group affiliation or certification. Persons seeking the services of such an agent should familiarize themselves with the requirements for professional group membership or certification which are available at the show secretary's office.

EXHIBITORS PLEASE NOTE: exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations. Proof of current rabies vaccination must be in the possession of exhibitors or handlers for all dogs at these trials.
