Several months ago I attended the Responsible Dog Owner's Day. at Washington County Fairgrounds. Eywa and I worked at the booth for the North Star Herding Group Club. I was impressed by all that was offered at this event and I think we should consider having a booth there next year.

Our Herding trials went very well especially considering that Virginia Bailey injured her right wrist and arm just a few days before the event. Virginia was scheduled to handle many of the jobs the day of the trial but people stepped up to help and all went well. Verna timed all day both days, Pam Magadance was keeping track of things, David Mielke worked all day both days running paperwork from the judge to our trial secretary Sunny. Jean Melin helped and other members and volunteers stepped up to help out. Results are on page 8.

It's been almost 2 years since our last geocaching event and I discovered that the Dakota County parks have GPS units that people can borrow. So we might be able to plan an event at one of those parks next spring. There are some apps that you can use on cell phones to locate geocaches also.

Our next club event is the awards banquet, election and annual meeting. The registration form is on page 5.

The Banquet will be at the Lake Elmo Inn Event Center like last year.

Cristina McColl has taken over our web site and is trying to get it caught up. If you have new litters or wins that you want listed on the web please send them to her. If you want them in the Shep-O-Gram you can send them to me also.

## Regional Challenge Statistics

Another successful year for the Regional Challenge has ended. Below are listed the dogs and/or owners with the most points looked at in the four different ways: (A) dogs with the most points – no matter how the points were earned; (B) dogs with the most points – working dogs – not counting therapy and conformation; (C) members who have individually owned dogs and have the most points; and (D) members who have co-owned dogs and have the most points.

I want to thank everyone who provided me with information and answered my many questions. I am continually impressed – not only by how active our club members are –but with how successful everyone is in the show ring.

Although every point helps and is appreciated, we want to recognize those members and dogs who contributed the most points to our club's success.

Here is how it came out.

## AKC Adds New Advanced Level Community Canine Title To Popular Canine Good Citizen Program

 (Wednesday, August 28, 2013)

Giving responsible dog owners a whole new level of achievement for their dogs, the American Kennel Club® (AKC®) has developed a new advanced level title – [AKC Community Canine](#) – as part of the Canine Good Citizen® (CGC®) training program. Since 1989, the CGC program has rewarded more than 600,000 dogs and their owners who have passed the test, which recognizes the dogs’ good manners at home and in the community.

With the introduction of AKC Community Canine, the AKC’s CGC program now provides a comprehensive three- level training program for you and your dog. Beginning with AKC S.T.A.R. Puppy, progressing to Canine Good Citizen and now to AKC Community Canine, the CGC program trains dogs through all stages of life to be well behaved in society.

“AKC Community Canine expands on CGC skills and lays the beginning foundation for obedience, rally and therapy dog work,” Director of the Canine Good Citizen program Mary Burch, PhD, said. “While Canine Good Citizen tests are simulations of real world skills, the goal of AKC Community Canine is to test the dog’s abilities in a natural setting. Rather than the test being administered in a ring, certain elements will involve the dog walking through a real crowd, whether at a dog show or on a busy sidewalk.”

As with CGC, AKC Community Canine requires a [10-step test of skills](#) that dogs must pass to earn the official AKC Community Canine title:

- Dog sits or lies down and waits under control
- Walks on a loose leash in a natural situation (not in a ring) and does not pull
- Walks on a loose leash through a crowd
- Dog walks past distraction dogs present and does not pull
- Sit-stay in small group (3 other people with dogs)
- Dog allows person who is carrying something to approach and pet it
- Dog walks by food and follows owner instructions, “Leave it”
- Down or sit stay-distance (owner’s choice)
- Recall (coming when called) with distractions present
- Dog will enter/exit a doorway or passageway with owner and remain under control

Eligible dogs for the AKC Community Canine title must have a CGC certificate or title on record at AKC and must have an AKC number (AKC registration number, PAL number, or AKC Canine Partners number). Dogs passing the AKC Community Canine test will earn the “CGCA” (advanced CGC) title.

Instructors can learn more about the program and begin training their students on AKC Community Canine skills by visiting the [AKC Community Canine](#) page. AKC Community Canine testing will be administered by approved [AKC CGC evaluators nationwide](#) beginning in October.

## **Herding trial volunteers**

We all know that it takes a lot of people to run an event and make it a success. Here is a list of people who helped with our Herding trial compiled by Pam Magadance.

Virginia Bailey - trial chair

Verna Kubik – timed all day both days

Dave Melke – sheet runner all day both days

Judy Webster – scribed for the sheep on Saturday

Jean Melin – scribed for ducks and sheep on Sunday

Pamela Magadance – generally helped with what ever was needed

### **Many People Made our Herding Trial a Success**

We owe a great deal of thanks to a number of non-club members who helped make our herding trial successful. We could not have made it without them. I would like to acknowledge them in this article. The participants seemed happy with the trial, and I heard a number of comments on how much people like our ribbons.

Jean Gerseith (BCs) helped with A course ducks and other general help as needed. Mary Henderson (Samoyeds) helped with the B course ducks on Saturday. Philip Greene (Aussies) helped handle the B course ducks on Saturday. Joy Hunziker (GSDs but not a club member) helped handle ducks both days

Kim Schneider, from whom we rented the ducks, had only agreed to provide and deliver the ducks. But when she heard that Virginia had broken her wrist, she stayed both days and helped. Kim scribed for A and B ducks on Saturday and handled ducks on Sunday.

Faith Davis (BCs) cooked all the meat for both days for lunch. She is a great cook!

## **Brag**

**New HT Title**
